List of Properties for Voluntary Acquisition for Flood Mitigation Purposes Approved: Excluding All of the Properties on South River Road Except the Property Located at 1330 South River Road:

The Board received a communication from City Engineer Mark Bittner stating the Public Works Projects Evaluation Committee reviewed an email from Assistant City Attorney Butch McConn concerning the City's potential interest in acquiring three properties currently for sale on South Terrace in the Oak Grove area. He said these properties were included in the listing of flood mitigation recommendations previously presented to the City Commission and he is requesting clarification on the City's position for acquisition of flood prone properties in Oak Grove and other areas. He said the properties recommended for acquisition on a volunteer basis are as follows:

Oak Grove Area - 8 Properties

17, 23, 31, 35-37 (duplex), 73, 125 and 135 South Terrace.

The houses at 17 and 35-37 (duplex) are currently listed for sale.

South River Road - 16 Properties

1330, 1348, 1408, 1414, 1422, 1430, 1436, 1442, 1450, 1454, 1458, 1462, 1502, 1510, 1514 and 1518 South River Road.

The City has been negotiating with the owner of 1330 SRR for purchase of this property. The City has received a number of requests for funding assistance under the Flood Protection Incentive Program (FPIP) for private construction of flood protection improvements in the rear yards of these properties. The FPIP policy currently excludes properties recommended for acquisition.

The house at 1525 South River Road may need to be acquired to accommodate raising the Belmont Park Dike between SRR and Lindenwood Drive South.

Belmont Park Area - 1 Property

245 Lindenwood Drive.

Southwood Drive - 6 Properties

509, 515, 606, 706, 718 and 810 Southwood Drive.

Commissioner Wimmer stated, after meeting with several of the residents on South River Road, his recommendation would be to leave out 16 of the South River Road properties until Engineering and staff can officially meet with the neighborhood.

Mr. Bittner stated his only concern is that the City is in negotiations with the property owner at 1330 South River Road and would like to continue with those negotiations.

Commissioner Wimmer moved the list of properties for voluntary acquisition for flood mitigation purposes be approved, excluding all of the properties on South River Road except for the property located at 1330 South River Road.

Second by Williams. On call of the roll Commissioners Wimmer, Williams, Piepkorn and Walaker voted aye.

Absent and not voting: Commissioner Mahoney.

The motion was declared carried.

The Board of City Commissioners reconvened as the 2010 Board of Equalization to consider valuation appeals carried forward from the April 13, 2010 Meeting.

Valuation Appeals Carried Forward:

City Assessor Ben Hushka stated there were three appeals from the floor at the original Board of Equalization meeting. He said these were property owners who had not previously contacted the Assessor's Office and after consideration he is now bringing forward his recommendations on these properties.

Swede Stelzer, 3017 University Drive South:

Mr. Hushka said his recommendation for the property located at 3017 University Drive South is to retain the current value of \$527,000 for the 2010 assessment year.

Commissioner Piepkorn moved the current value of \$527,000 on the property at 3017 University Drive South be retained for the 2010 assessment.

Second by Williams. On call of the roll Commissioners Piepkorn, Williams, Wimmer and Walaker voted aye.

Absent and not voting: Commissioner Mahoney.

The motion was declared carried.

(Commissioner Mahoney present)

Wentz Office Building, 2315 University Drive North:

Mr. Hushka said his recommendation for the property located at 2315 University Drive North is to retain the current value of \$253,000 for the 2010 assessment year.

Dan Wentz, owner of property at 2315 University Drive North, stated this would be a 37.5% increase to his property and with this kind of an increase it does not give a person a chance to rearrange rents to try and compensate for some of that increase. He said he is not sure that the property tax relief he received really ended up being relief when everything else was re-evaluated.

Mr. Hushka stated this property was part of a reappraisal and he can understand the issue with the increase but Assessors and Boards of

Equalization have a statutory responsibility to bring properties up to true and full value. He said there is no provision in the law to do step-ups to bring them to the true and full value.

Commissioner Williams moved the current value of \$253,000 on the property at 2315 University Drive North be retained for the 2010 assessment.

Second by Wimmer. On call of the roll Commissioners Williams, Wimmer, Piepkorn, Mahoney and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Sunwood Townhomes, 2522-2532 18th Street South:

Mr. Hushka said his recommendations for the properties located at 2522-2532 18th Street South are as follows:

2522 18th Street South, current value of \$176,100 change to a new value of \$166,500; 2524 18th Street South, current value of \$168,500 change to a new value of \$155,700; 2526 18th Street South, current value of \$159,100 change to a new value of \$150,400; 2528 18th Street South, current value of \$174,300 change to a new value of \$164,600; 2530 18th Street South, current value of \$158,800 change to a new value of \$155,300; 2532 18th Street South, current value of \$172,200 change to a new value of \$159,400.

Lynn Wolff, 2524 18th Street South said he is Chairman of the Condo Association and has found a couple of errors with the report. He said he feels a 14% increase is a little steep.

Mr. Hushka stated he received a phone call from another resident of this area and he told that individual that his department would be looking at all the units to verify their information.

Commissioner Williams moved the current value of the properties at 2522-2532 18th Street South be adjusted to the new recommended values for the 2010 assessment and that a recommendation be forwarded by the Assessment Department to the County Board of Equalization if necessary.

Second by Wimmer. On call of the roll Commissioners Williams, Wimmer, Piepkorn, Mahoney and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

2010 Assessments of Property in the City of Fargo for Tax Purposes Approved:

Commissioner Wimmer moved the 2010 assessments of property in the City of Fargo for tax purposes as prepared by the Assessment Department be approved subject to the list of reviews being worked on by the City Assessor's Office and, and that the City Auditor's Office be directed to certify the 2010 assessments to the County.

Second by Piepkorn. On call of the roll Commissioners Wimmer, Piepkorn, Mahoney, Williams and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Application Filed by Sea Stone, Inc. d/b/a Yuki-Hana Grill and Sushi for an Alcoholic Beverage License Approved:

A Hearing had been set for this day and hour on the application filed by Sea Stone, Inc. d/b/a Yuki-Hana Grill and Sushi for a Class "GH" Alcoholic Beverage License at 1450 25th Street South, notice of which had been duly published in the official newspaper for the City of Fargo.

No written protest or objection to the granting of the application has been received or filed in the office of the City Auditor, and said application has been approved by the Police Department as to the character of the applicant.

The Board determined that no person is present at this Hearing to protest or offer objection to the granting of the application.

Commissioner Piepkorn moved the application be approved.

Second by Wimmer. On call of the roll Commissioners Piepkorn, Wimmer, Mahoney, Williams and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Special Assessment List for New Construction and Reconstruction of City Ordered Sidewalks Approved:

A Hearing had been set for this day and hour on the special assessment list for New Construction and Reconstruction of City Ordered Sidewalks in the City of Fargo, North Dakota, on which special assessment list a Hearing had been held by the Special Assessment Commission after which it had been confirmed and filed with the Board of City Commissioners.

No appeals have been filed in writing against any item appearing on such special assessment list and no person is present at this Hearing to appeal or offer any objection thereto.

Commissioner Williams moved that the special assessment list for New Construction and Reconstruction of City Ordered Sidewalks in the City of Fargo, North

Dakota be and the same is hereby approved and confirmed and ordered filed in the office of the City Auditor, that the City Auditor's Office be instructed to proceed to collect the assessments in the manner provided by law and that the interest rate be set at 1% per annum over the net rate on bonds financing said projects.

Second by Wimmer. On call of the roll Commissioners Williams, Wimmer, Piepkorn, Mahoney and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Discussion Regarding Bond Sales:

The Board received a communication from Finance Director Kent Costin stating the City of Fargo will be selling two bond issues on Monday, May 3, 2010. The first bond issue, Series 2010B, he said, is a new money issue, of which proceeds will be used for infrastructure projects. The second bond issue, he said, Series 2010C is a refinancing issue recommended by the Finance Committee for interest rate savings. The new money bond structure, he said, is the first time the City is taking advantage of or issuing the Build America Bonds, aka BAB's. He said BAB's were created as part of the American Recovery and Reinvestment Act of 2009 and a unique feature of the bond is that the federal government will now reimburse 35% of the interest costs, for the life of the bond, as a way to lower overall borrowing costs and stimulate the economy. The refinancing issue, he said, is anticipated to save the City about \$390,000 or 4.6% of net present value saving. He said Springsted, Inc. has identified this issue as a good candidate for refinancing in light of the current low interest environment and the Finance Committee concurs with their recommendation.

David MacGillivray, Springsted, Inc. summarized the details of the bond structure and sale results.
