# Call for Involvement

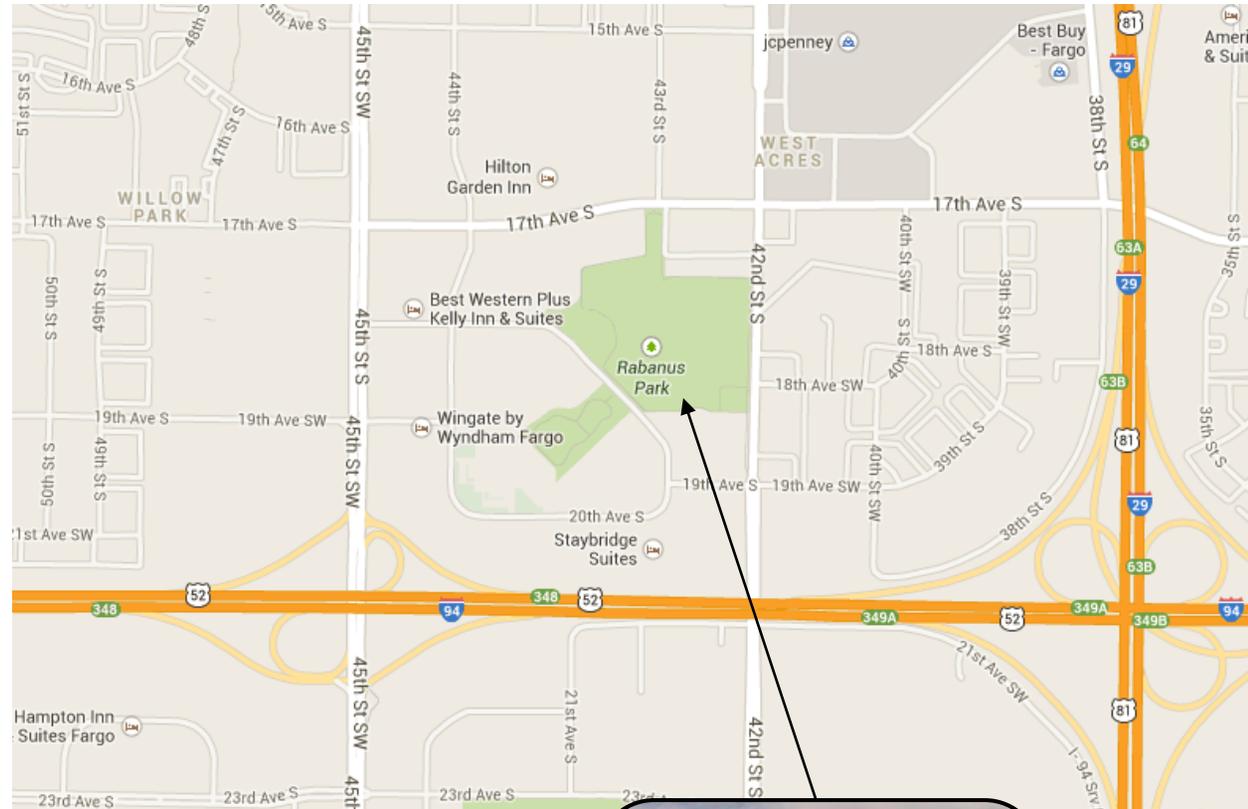

## Define Your Place

### What can you do?

Can you help us...

- define the type of public space our community needs
- come up with new and innovative ideas
- plan, design, or create space
- promote the project through writing, artwork, or visual media
- educate and inform on ideas related to sustainability, parks, plants, or water use
- Incorporate cultural interest and diversity

### Location of Project: Rabanus Park

No experience necessary. For more detailed

information on this project and to get

involved, please visit our website at:

[www.cityoffargo.com](http://www.cityoffargo.com) > click on **Planning and Development** > click on **The Fargo**
