

## **Housing & Neighborhoods**

Table Notes, June 23 public meeting

- Maintain neighborhoods of choice
- Invest in physical infrastructure (housing, streets, utilities, community facilities, parks and open space)
- Invest in social infrastructure (neighborhood associations, cultural organizations, community groups)
- Don't lose small schools
- Attract families into older neighborhoods
- Provide multiple modes of transportation/walkability
- Offer community transportation centers within neighborhoods
- Support the downtown neighborhood
- Construct larger sidewalks (10-12 ft) in the older parts of the city
- Continue work to connect transportation infrastructure
- Enhance efforts to protect historic assets/work to achieve historic trust status in ND
- Plant more trees
- Eliminate blight and address vacant and abandoned properties
- Incorporate multiple uses in neighborhoods
- Enhance understanding of mixed zoning and economic issues
- Plan for what the market can do
